Athletic Department Updates

The Athletic Department will be using two new ways of communicating information to the public. Below are the two systems people can subscribe to.

Weekly Email Updates
The first system people can subscribe to is an email list. An announcement will be sent out through the email list once a week to confirm times and dates of upcoming Marion Local athletic events. To subscribe, simply send an email to sportsupdate+subscribe@marionlocal.org. In the subject line, put in the word SUBSCRIBE then click Send.

Next, you will receive an email asking you to complete the request. It will give you the option to “join group” or simply reply back. DO NOT CLICK “JOIN GROUP”. All you need to do is hit reply and then send (you do not need to type anything). Finally, you will receive another email confirming that you were added to the email list.

Text/Email Message Alerts
The second communication tool is a text message system called “Ohio Alerts.” Announcements sent either through this system will be in the form of e-mail and/or text messages for quick changes in schedules, cancellations or ticket information. To subscribe to this system, please follow the steps below:

1. Go to http://ohioalerts.org/MarionLocal
2. Click "Subscribe to Alerts"
3. Enter your name (required).
4. Check the alert method you want (either Text Message or Email).
5. Enter your cell phone # for a text message alert or your email for an email alert.
6. For text message alerts, check your phone provider.
7. Check the Athletic Alerts option.
8. Enter the security code.
9. Check the COPPA compliant box.
10. Click subscribe.
