The Marion Local Board of Education met in special session on October 14, 2018 at 7:00 p.m. in the high school gymnasium for the express purpose of discussing and fielding questions about the proposed facility project.

Mike Pohlman, Superintendent, gave the opening statement and introduced Garmann Miller Architects, Brad Garmann and Matt Hibner, who presented the proposed facility project to the community members who were present. Mike Pohlman discussed the process that has taken over the last four years, explained the need for each one of the proposed components and discussed some of the decisions that lead to the proposed facility. He also provided information on the frequently asked questions that have been asked by the community. Mike concluded the presentation with a listing of what is included in the bond issue that is on the November 6th ballot and stated that this plan meets the need of the community, is fiscally responsible, does not compromise quality, addresses current and future needs of students and is an investment in our great school system.

The floor was then opened to the members of the general public in attendance for questions.
