### Electronic Payments for Lunch Accounts Available

Although you are still able to send money to the elementary office for school lunches, we want you to know that there is an option to put money on your child's meal account over the internet 24 hours a day, 7 days a week using [PaySchoolsCentral.com](http://PaySchoolsCentral.com). To make payments online there is a convenience fee of 3.9% per transaction for Visa/MasterCard or \$1.75 for Electronic Check. Once the money is put on the account, it typically appears in your child's lunch account in 2 hours.

By logging onto [www.payschoolscentral.com](http://www.payschoolscentral.com), you can easily:

- Set up an account (Each child in your family can be set up on the same account.)
- Deposit money at your convenience into your child's Cafeteria account
- Set email reminders to notify you when you child's account gets low
- Set up recurring payments for your child's Cafeteria account
- Check your child's Cafeteria account balance
- View an activity report so you can see what your child has eaten in the previous 30 days

To set up an account, all you will need is:

- A valid email address
- A credit card or ACH Check Information (even if you just want to view details)
- Your child's student identification number

If you have any questions or need help setting this up, please contact the Central Office at 419.925.4294.
